USB 3.2 Gen 1
up to 5Gbps

Nero Backup
Software¹

Large Capacity
Up to 2TB

Compact design. Trusted performance.

Ideal for users on the move, the Store 'n' Go Portable SSD provides a fast and safe solution for expanding your storage and backing up your files.

The USB 3.2 Gen 1 interface features data transfer speeds up to 5Gbps so you can move those large files and do the high capacity photo editing when you need to.

Compatible with both PC and Mac operating systems, the SSD interface is USB 3.2 Gen 1 with USB-C connection for super fast data transfer speeds.

The SSD handles large data transfers quickly, ideal for video editing, moving large amounts of data or maximising gaming performance. The pack includes a USB-C to USB-A cable as well as a USB-A to USB-C adapter for connection to a range of devices.
